Chancery Causes: William Greene vs. Eliza Jane Greene

Amyx, Murray, Byrd, Rogers, Robinson

CA Divorce

William Greene

Plaintiff.)

vs.

) Bill for Divorce.

Eliza Jane Greene,

Defendant.)

To the Honorable W.T. Miller, Judge of the Circuit Court for Lee County, Virginia:

Humbly complaining, your orator, William Greene, a citizen of said County, would respectfully represent and show unto your Honor:

That in the year 1884, in the State of Tennessee, he was lawfully married to Eliza Jane Amyx (Greene).

That he and his wife, the said Eliza Jane Greene, lived and cohabited together as man and wife for a number of years.

That of said marriage there were two children, to wit:-- C.H. Greene and Due M. Greene, now the wife of George A. Murray.

That seven or eight years ago he removed from the State of Tennessee, where he had theretofore resided with his said wife, to the State of Colorado and thence to the State of Virginia, in Lee County, where he now and for the past six or seven years has lived, it being necessary to the success of his business that he should reside in Lee County where his entire business interest has been located for several years.

That his wife, the said Eliza Jane Greene, refused to remove with him to his new home in Colorado Lee County, Virginia, where his business interests demanded that he should go.

That for a period of more than five years his said wife has refused to live with him; has deliberately and wilfully separated herself from him; and has ceased to cohabit with him and deserted him.

That for all of said period of time her refusal to live with him, her separation from him, her cessation of cohabitation and her desertion of him have been intentional on the part of his said wife; that during the whole of said period of five years and more her intention has been that the separation should be permanent

should be permanent; that cohabitation should never be resumed with him; and that her desertion was final.

That he did not in any way consent to said separation and desertion, nor contrive or connive in any way to bring it about; but on the contrary was willing that his said wife should remove with him to his new home ^{in Colorado} in Virginia; that she should continue to live with him and cohabit with him as man and wife and that she should not desert him and refuse to live with him.

The said Eliza Jane is not a resident of the State of Virginia.

The object of this bill is to dissolve the bonds of matrimony heretofore and now existing between your orator and the said Eliza Jane Greene.

He therefore prays that the said Eliza Jane Greene be made the party defendant to this bill; that she be required to answer the same on oath; that order publication be made &c.; and that, upon a final hearing, a decree be pronounced dissolving the bonds of matrimony heretofore and now existing between your orator and the said Eliza Jane Greene. And he will ever pray &c.

Amos W. Hyatt, P. S.

Virginia, Lee County, to wit:--

I, A. B. Munsey, Clerk of the Circuit Court for Lee County Virginia, do certify that William Greene this day personally appeared before me in my county and made oath that the statements made in the foregoing bill for divorce, are true. ~~Six~~
